Arriving at Worcester College and directions to the porters lodge

Worcester College is located at the junction of Worcester Street, Walton Street, and Beaumont Street. The college is a short walk from both the bus station and the train station. There is not a sign on the outside of the college to show which

building it is, but, as you walk along Worcester Street from the train or bus station, the college is a very large building located on your left with large metal gates at the entrance. To find the porters lodge go through these gates, and straight on to a set of wood double doors. The porters lodge is located on the right side of this building.

If you are driving to Worcester College: Parking within College is very limited. The nearest public car park is at the bottom of Worcester Street. This is accessed via Park End Street entrance and is fairly expensive. There is also a large multi-storey car park at the Westgate Shopping Centre. There are Four Park & Ride Bus Routes that provide buses to the City Centre approximately every 10 minutes; a charge is made for the bus ride and parking. Please visit www.oxfordbus.co.uk for further details.

There is a small bicycle rack inside the college (also lots of bike racks round the corner at the Said Business School near the train station).

If you arrive by bus from another town: The bus station is located at Gloucester Green just off Worcester Street. Exit on to Worcester Street and walk towards Walton Street, the College is on your left. This will take approximately 5 minutes.

If you arrive by train: Cross over the forecourt. Turn left out of the station and walk along Hythe Bridge Street then left on to Worcester Street until the junction with Beaumont Street and Walton Street. It is approximately a 10-minute walk. There are several local buses and taxis available from the station if you prefer.
