Payment Instructions

Final payment is due by 20th August 2019 and can be completed via the online system here:

<https://www.oxforduniversitystores.co.uk/conferences-and-events/engineering-science/events/international-workshop-on-control-engineering-and-synthetic-biology-2019>

Early-bird registration (before July 1st):

- £300 for academics and members of industry.
- £200 for students and post-doctoral researchers.

Final registration (before August 20th):

- £350 for academics and members of industry.
- £250 for students and post-doctoral researchers.

An additional (optional) payment of £50 is required for the banquet in the Worcester College dining hall on the night of September 10th.

Registration fees cover access to all presentations and poster sessions at the workshop, as well as coffee breaks, lunches, and dinner on September 9th. However, participants must cover their own travel and accommodation.

Additional information about getting to Oxford is provided on the conference webpage. If you have additional logistical questions, please contact the organisers.
